How to Register:

1. Proceed to the eCampusAlberta online inventory at www.ecampusalberta.ca
2. Click on **Search Courses** located on the left hand side of the page.
3. Select your Program Area and/or College or Technical Institute, or leave blank, and click on **Search**.
4. After finding the applicable course, click on **View Details** to view the course description and details, and/or click on **Register Now** beside the course to put through a registration request for the course.
5. Once you click on **Register Now**, you will have three options for registration:
   
   **Online:**
   
   A) If you are funded, or wish to pay by the RDC tuition deadlines, indicate a “0” (zero) for the credit card number
   
   B) If you have a credit card, please enter those details
   
   **By Paper:**
   
   C) You may choose option number 2, download, complete, and submit the course registration form to the institution offering the course
   
6. Enter the requested information, and ensure you receive confirmation that the request has been made. This will be sent to the email account you indicated during the registration request process. For option B, your credit card will not be charged, until you have been registered for the course.
7. Once your registration has been processed, you will receive a notice by email from the institution confirming that you have been registered, OR if you submitted a paper registration, you will receive a notice by mail.

**Tuition, fees, and textbooks are to be paid for or purchased through the institution offering the course.**
